Harwell Rounders Club
Fixtures 2024

The format of the 2024 Harwell Summer Rounders competition will be as follows. In Round 1 teams have been drawn at random into leagues. League A is made up of 9 teams. League B is made up of 10 teams. In Round 2 the top FOUR teams, plus the best 5th placed team (judged on points, then rounders difference, then rounders scored), from Leagues A-B will form League C and all other teams will form League D. The format of Round 2 will be; each team will play against only the teams previously not played. The points accumulated in Round 1 against teams moving into the same league for Round 2 are carried forward.

Below are the fixtures for the quarter finals of the knock out stages. The team in first place in each league plays the last qualifying team moving down the league table to create the quarter finals.

The schedule will be sent out to all team captains and once released can not be changed.

Please contact me if you have any queries and ensure the subject field reads ROUNDERS 2024.

Good luck everyone,
Aaron Scott
